

Prince of Peace Lutheran Church

Craft Show Rules

- 1) Exhibitors **must** accept full responsibility for any loss, injury, or damage to persons or personal property that may be sustained while on said property. Christmas in Ida Festival will exercise every possible care and precaution, but will assume **no** responsibility whatsoever for any property in the exhibit areas, on the premises, or in any of the parking areas.
- 2) Open flames are strictly prohibited.
- 3) No caustic chemicals allowed in the church.
- 4) Boundary lines for crafters are not to be removed.
- 5) Crafters displays may not exceed the boundary lines of their space.
- 6) Please be considerate of your fellow crafters that are next to you. Make sure that there is a passage that can be used to get in and out of the space.
- 7) Set-up times are in place so that the people setting up the spaces have time to do so. Please do not arrive early and expect to be able to set up your booth. Friday night set up cannot happen until Day Care at Church is closed. Be patient please.
- 8) Show time is 8:30am to 2:30pm.
- 9) If you want to keep the spot you are in currently, then it is advised that you pay for next years show before the end of the current show. We place a time and date on the applications for the following year as they come in to us. By doing so you will insure that you can keep your same spot.
- 10) For those who would like to change their spot, you may put in your request with your completed application and fees. We will hold on to these until end of Jan. when the new application will come on line. If the person that held the spot you want does not re-new, then it is yours. If they do renew we will have to place you somewhere else. At that point your old spot will not be guaranteed also.
- 11) An application will not be considered unless full payment accompanies it.
- 12) At the end of the show please try to throw away all of your trash in the available receptacles. We would also appreciate you pulling up the blue floor tape around your booth. Thanks!
- 13) We reserve the right to final placement at the craft show in order to keep a good flow of crafters.
- 14) Electricity is in short supply. We will do the best we can for those who need electric. Please bring an extension cord with you.
- 15) Any disruptive or non-compliant crafter will be asked to leave. They will have to be reviewed before they can come back to the show.
- 16) Please do not leave before 2:30 pm. Thank You.
- 17) Make a copy of your application for yourself before you send it in.
